

REMARKS

Reconsideration of the application is respectfully requested. The drawings were objected to because the diagonal extension in claim 4 is not shown in the drawings. Claim 4 has now been canceled so that corrected drawings are no longer required. Claims 1-12 were rejected under Section 112 as being indefinite. The claims have now been amended and should fully conform to Section 112.

In view of the above, the application is submitted to be in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
